### Please have vehicle information at check-in

Check-in time is between 2:00 and 8:00 p.m. Check-out time is 11:00 a.m.

All our units are no smoking. We do have a designated smoking area on property. A few notes from our staff to assist our guests in their adventure to Hana, Maui: The drive to Hana from the Kahului Airport will take approx 2 hours if you drive straight through. There are many places to stop along the way including fruit stands (try the banana bread), waterfalls, overlooks, a short jungle trek, etc. Stopping along the way can add 1 to 2 hours to your drive. We recommend that if you are only spending 1 or 2 nights in Hana, you may wish to do some of your sightseeing on the way back. Remember, there are local residents who travel the road often and know the road well. Allowing local traffic to pass will make for a more pleasurable drive. Gas up before you come in to Hana as our gas prices are substantially higher! :

*Driving directions -- from the rental car lot at Kahului airport turn right onto Keolani Pl. Proceed to the first traffic light, continue through light. Proceed approx 1 block to the next traffic light and turn left onto Hana Highway (36). Continue on the Hana Highway for approx 50 miles (turns into 360 and the road becomes narrow and winding for the last 25 miles). At the fork in the road at the Hana Police Station, keep left. Continue on for approx 1/2 mile. Look for our sign (oval / blue) on the left side of the road. The office is located in the lower (Makai) building...just follow the signs.*

# September 16, 18 2019 - The Road2Hana and The Backside including Haleakala State Park, Pipiwai Trail and the Seven Sacred Pools

This morning depart your hotel and drive back towards Paia to run through the entire R2H experience. The Road 2 Hana starts at Paia, and follows HI RT36 to RT 360, around the iconic volcano Haleakala. Towards the backside of the route RT 360 turns into RT 37. The road is iconic for awesome activities, scenic views, and winding roads. Hana is a slice of heaven, 90 min into this iconic drive. Enjoy the Aloha
